WELCOME HOME TO CROSSFIELD! Our friendly little town has charm, small community feel & is just a short 17 km to the north end of Airdrie. Imagine coming home every night to your nicely renovated, 4 level split with nearly 3000 sq ft of living space! As you enter the foyer you will immediately note the **HARDWOOD FLOORS** & the abundance of natural light from the **SOUTH & EAST** windows - many of the windows in this home have either recently been completely replaced or have had new panes installed. As you move on past the first of 3 **LIVING SPACES** note the **FRESH PAINT & VAULTED CEILINGS**. The dining area is highlighted by a recessed space perfect for a hutch & more east facing windows. The floor space is massive & could easily seat 10 or more people around a farm style table. The refreshed kitchen is host to white cabinets, SS appliances & a massive amount of counter & cabinet space. The custom butcher block **ISLAND** & well as the pot rack are included. There is lots of space here to put a smaller table in the dinette nook area looking out to the back yard. Off of the dinette area find the first of 2 access points to your back yard - this one leads to your upper deck. Upstairs find 3 of the 4 bedrooms in this home - all with hardwood floors as well. The secondary bedrooms are so unique - cool spaces for reading nooks or toy areas, large closets w/organizers & an abundance of natural light. These bedrooms are serviced by a 4 pc bath -

refinished cabinetry & lighting. The PRIMARY BEDROOM is huge w/2 closets (one a large WIC) as well as a gorgeous 3 pc bath w/heated floors, loads of storage, NEW TOILET & 5 FOOT TILED SHOWER. The 3rd level is your walkout level w/the second access outside out to your lower deck & yard. Both the lower & upper decks are connected by a set of stairs. This level boasts a GORGEOUS WOOD BURNING FIREPLACE w/BRICK SURROUND & more HARDWOOD FLOORS. There is a tiled area to come in from the yard and leave your shoes & jackets at the BUILT IN BENCH. Plenty of room for a large TV or possibly a games area - or both if you desire. On this level you will also find your 4th bedroom, freshly recarpeted & painted. There is also another 4 pc bath, laundry area (washer & dryer inc) & even more storage. All of this is highlighted by FRESH WHITE WAINSCOTING & the entrance to your DOUBLE ATTACHED GARAGE! Lastly is your super bright lower level - huge REC ROOM (the 3rd of your 3 living rooms), wet bar, more storage & more fresh paint and carpet. Outside find a massive backyard w/ALLEY ACCESS. Other upgrades include a newer hot water tank (less than 7 years old), newer shingles (2017) & pex plumbing (2023). This home is truly all you could want and more - the charm & unique designs sought after in a classic home but all the modern finishings & a the size of a lot you just won't find in any of the newer areas. Come home to Crossfield & see the value you get for a short drive!
