3 Bedroom, 1.00 Bathroom, 918 sqft
Residential on 0.20 Acres

Mountview, Red Deer, Alberta

A charming white picket fence home! With classic brick facade, and a generous lot in the heart of Mountview, one of Red Deer's most beloved, tree-lined neighborhoods.

Inside, the charm continues - original hardwood flooring, a cozy and functional layout with living room, kitchen, and bathroom, and just the right amount of character. The main floor also features a bedroom: a bright, inviting space with French doors leading to a future deck - ready for morning coffees or those summer evenings under the stars with a fire roaring amongst mature trees.

Downstairs offers a blank canvas where you'll find laundry, newer windows, a bathroom rough-in, and space to create whatever fits your lifestyle. Two bedrooms upstairs!

What makes this home a true standout is all the behind the scenes work that's been done for you. 2005 furnace, on-demand hot water, updated plumbing, sewer line replaced, and a backflow valve already installed. The roof was done in 2016, and the basement windows have been replaced too... major upgrades that bring peace of mind and long-term value. The ideal homeowner is someone with vision and the know-how to finish what's been started. Turn this potential into something incredible! Opportunities like this don't come up often in Mountview. If you've got the eye and the skills, this is your

moment!
