5 Bedroom, 2.00 Bathroom, 1,352 sqft
Residential on 0.19 Acres

NONE, Cremona, Alberta

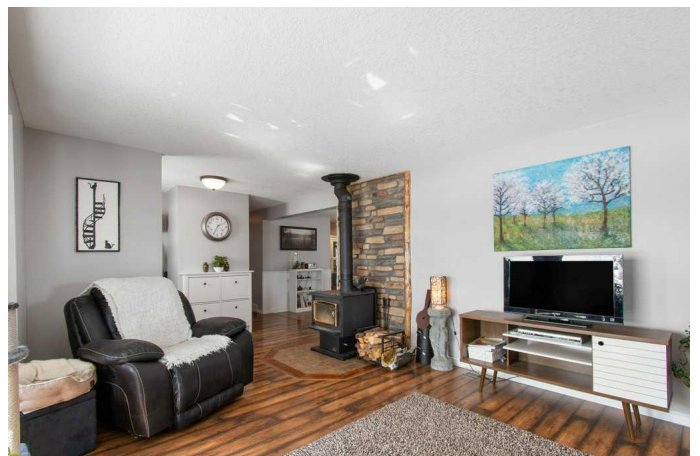

Updated 1,350 sq ft bungalow with 4+1 bedrooms and a nearly fully finished basement, situated on a large lot with no neighbors behind in the quiet Village of Cremona. Conveniently located across from the school and within walking distance to all amenities, this vibrant community offers an easy commute to Calgary, Carstairs, Cochrane, or Airdrie.

The main floor features a cozy living room with a wood-burning stove, a large south-facing window providing natural light and mountain views, and a functional kitchen with dining space and room for a buffet or additional storage. A smaller bedroom off the kitchen is ideal for an office or hobby room.

The primary bedroom includes a 2-piece ensuite, with two additional bedrooms, a 4-piece main bath, and a spacious rear porch with main floor laundry completing the level.

The basement is nearly finished, offering newer windows, one additional bedroom (requires a closet system), a large storage room, secure storage, extra closets, and a generous recreation area – just needing the ceiling completed.

Outside, the property is designed for enjoying the outdoors with a large front porch, two covered back decks (one with a hot tub), a sheltered seating area behind the garage, a

tiered deck leading to a graveled fire pit area, storage shed, greenhouse, raised garden beds, and a detached garage with back alley access. A large adjustable fence opening provides added flexibility, and there are no direct neighbors behind.
